-

Igniting creativity and imagination

**Invite promising
partnerships to assure
sustainability of our
mission**

**Provide for best
possible care of Sisters
and care for Earth**

**Radical hospitality
is expression of our
charism and the umbrella
under which all our efforts fall**

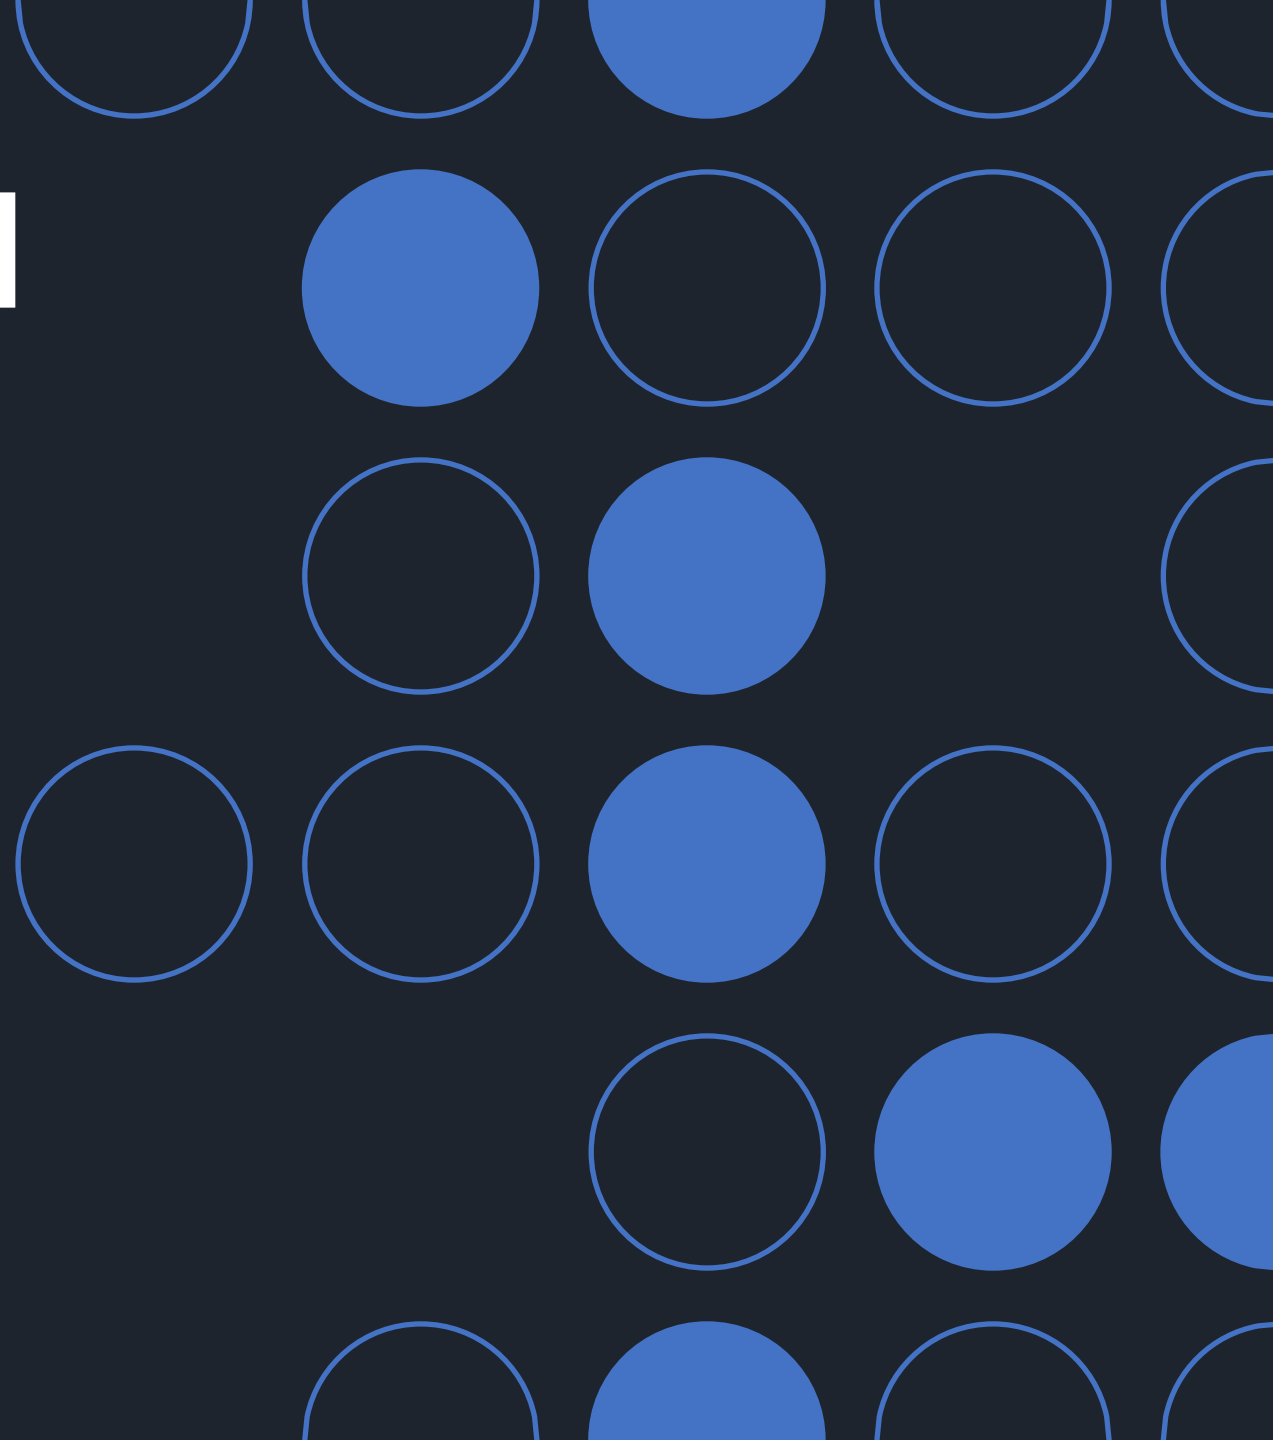

**Examine the signs of our times
which affect our expressions of
radical hospitality:**

- Food scarcity
 - Health care
 - Housing
 - Homelessness
 - Women and children
 - Racial injustice
-

**What is needed
to address the
emerging
desire of the
congregation?**

Deepen conversations about the meanings of:

- Mission
- Ministry
- Legacy
- Charism

**Make charisma come
alive in our time like
Nano did in her time**

Listen deeply

- To each other
 - To the signs of our times
 - To the needs that call loudly in the winding lanes
 - To our own and each other's feelings

A photograph showing the hands and forearms of several people stacked together in a supportive gesture. The hands are of various skin tones. A semi-transparent dark rectangle is overlaid on the left side of the image, containing white text. On the right side, there are several white-outlined circles, one of which is filled with a solid blue color.

**Collaborate with
and encourage
each other**

**Continue ongoing
formation—learn
about current
events and needs**

**Foster
engagement and
transparency**

**Dare to cherish
yesterday**

**Dare to live
today**

**Dare to dream
tomorrow**

Since last chapter, our Promise Group learned that we were not just about property and buildings but rather that we need to focus on using our property and resources to support the community and mission. We have come to see that vital living and mission gives us the lens to discuss the future use of all our resources.
