

Presentation Mission Service Award

In the spirit of Presentation foundress, Nano Nagle, the Dubuque Presentation sisters and associates establish a **Presentation Mission Service Award**. Nano Nagle was a young Irish woman who spent her days teaching those who would have otherwise been deprived of an education and her evenings were spent walking through the streets of Cork, Ireland bringing food and medicine, comfort and hope to those in need. Nano Nagle was a WOMAN of SERVICE. Her life reflected her own words, "If I could be of service in any part of the world, I would gladly do all in my power to do so."

Today the Sisters of the Presentation follow in Nano's footsteps by serving in education, pastoral ministry, chaplaincy and advocacy for the disadvantaged and those made poor throughout the United States and Bolivia.

This award is offered to a person(s), 18 years or age or older, committed to serving the Presentation mission and who may otherwise be unable to afford a mission immersion experience (locally, nationally or abroad).

The Presentation Mission Service Award is awarded to a person who models self-giving service helping to improve the lives of others and meets the following criteria:

- Possesses a desire to serve the mission
- Determination to learn about the root causes of poverty and systemic change
- Needs financial assistance
- Satisfactorily completes the application, provides one letter of recommendation and agrees to a presentation of their experience to sisters and associates

Recipients must agree to offer a presentation of the experience to sisters and associates. Specific amounts of scholarship awards may vary from person to person and are dependent on the amount of funds available and/or needed. These funds must be spent directly on the mission immersion.

Please complete the following application, along with one letter of recommendation (which address your self-giving service) and submit by April 1 (of the current year) to:
